About Me

I'm Parsa, an 19-year-old front-end developer with **3 years** of experience in creating beautiful and functional web experiences. I combine my academic knowledge with practical expertise in **React & Angular**. I'm passionate about learning new technologies and sharing knowledge with others.

Experience

Programming Instructor | Dison

2024 - Present

Teaching various programming topics, including front-end fundamentals, **React**, **Python**, and more.

Software Engineer | FARAZ E-COMMERCE

2024 - Present

Developing custom **WordPress** themes and plugins for various clients using **PHP** and **React.js**.

Angular Internship | Mohaymen

2024 - 2024

Learning and working on various front-end projects, especially **Angular**, under the supervision of the Mahimen team in code star.

Front-End Internship | Arsel Web

2018 - 2018

Learning **basic front-end** concepts and working on projects as part of the Arsel Web team.
